10 Basic Personal Finance Questions You Need to Answer ...

Student responses were organized into 1 of 6 categories based on the type of financial education policy a student's home state had for high school. The categories ranged from a state with no standards at all to states that required a financial literacy course and assessment in high school. Students whose home states required financial education courses were found to be more likely to save, less likely to make late credit card payments, and more likely to take on a healthy amount of ...
