But cows, pigs, wars, or witches, the answers to our riddles do not lie within the participants' consciousness. The belligerents themselves seldom grasp the systemic causes and consequences of their battles. They tend to explain war by describing the personal feelings and motivations experienced immediately prior to the outbreak of hostilities.

Sacred Cows, Love/Hate of pigs, Military Messiahs, Witch Hunts, it's all here. At some points, however, the book does get self-righteous, especially when Harris just starts attacking the Counter-Culture and the New Age movements. Also, it doesn't really explain how or why the figure of the witch is making a "comeback" in today's society.
