Life in the Country The majority of people living during the Middle Ages lived in the country and worked as farmers. Usually there was a local lord who lived in a large house called a manor or a castle. Local peasants would work the land for the lord. The peasants were called the lord's "villeins", which was like a servant.

Family Life The father was the head of the household and managed most financial dealings and could vote, hold public office and control the income and property. If the husband was sick or absent, the woman could handle financial affairs, along with the property and income, though she could never vote or hold public office.

Bing: Daily Life In The Middle

Daily life in the Middle Colonies consisted of hard work and family farms. However, unlike the south, which had numerous plantations and many slaves, the middle colonies had few slaves, and many family farms. Normally, men would work the fields, growing crops for their families, and if they had any left over, they would sell them.
