Learning is an ‘expedition’ at schools that enhance class ...

Expeditionary Learning seeks to inspire a spirit of wonder and curiosity about learning that stays with each learner for life. An expedition begins when learners explore their communities and question what is going on there and why. When learning reaches from the classroom to the community it builds connections between theory and practice, between concept and process, between content and contexts.

Expeditionary Learning | EL Education

Expeditionary Learning (EL) emphasizes learning by doing, with a particular focus on character growth, teamwork, reflection and literacy. Teachers connect high quality academic learning to adventure, service and character development through a variety of student experiences including interdisciplinary, project based learning expeditions. In 1994 Pathfinder K-8 School embarked on an ambitious project to become an EL school under the model of Expeditionary Learning Outward Bound (ELOB ...
