History. The first Regents Examinations were administered in November 1866. In 1878, the Regents Examination system was expanded to assess the curricula taught in the secondary schools of New York, and the Regents exams were first administered as high school end-of-course exams. From the original five exams (algebra, Latin, American History, natural philosophy [science], natural geography ...

Principals use the January administration of the Regents for many reasons: practice for students, early graduation, and a second or third chance for students who failed the test before. To graduate, students across the state have to pass Regents exams in five subjects — math, English, science, American history and global history.

The history of the University of California, Los Angeles starts in 1919 when Governor William D. Stephens signed Assembly Bill 626 into law, which turned the facilities of the Los Angeles State Normal School into the Southern Branch of the University of California. After moving to its new campus in Westwood in 1927 it was renamed UCLA and has since expanded to become a leading world university.
