Algebra with Pizzazz Worksheet Answers ...

In the Key to Algebra series, new algebra concepts are explained in simple language, and examples are easy to follow. Word problems relate algebra to familiar situations, helping students understand abstract concepts. Students develop understanding by solving equations and inequalities intuitively before formal solutions are introduced.

Key to Algebra - Cathy Duffy

While Key to Algebra can be a full, first-year algebra course, it can also be used for review or as a gentle introduction, possibly using only the first seven books before a student begins a rigorous algebra course. Students who plan to go on to an Algebra II course should probably choose a more rigorous first year course.
