Kingdom Coming is a political/social book about the rise of the Religious Right and its tenacious efforts to change the law of the land and sway public opinion over to its side. Once considered a group of radicals whose ideas were too extreme to worry about, the various organizations and individuals aligned with the Religious Right have succeeded to a far greater extent than anyone imagined.

Kingdom Coming: The Rise of Christian Nationalism ...

I've just published a book called Kingdom Coming: The Rise of Christian Nationalism, and since it appeared, I've been asked several times what Christian nationalism is, and how it differs from Christian fundamentalism. It's an important concept to understand, because the threat to a pluralistic society does not come from those who simply believe in a very conservative interpretation of Christianity.
