COVID-19 has already destroyed many businesses, and insolvencies will only increase as governments withdraw temporary protections. Recent decisions highlight the potential for external administrators of these insolvent companies to use investment treaty arbitration to recover assets, even from the state that appointed the administrators. Generally, external administrators are appointed by

MBO process. Management by objective is not a moment, but a process that happens step by step to realize a performance appraisal successfully. In literature can be found different models to apply MBO, according to Wehrich (2000) MBO has probably survived as an effective managerial approach because it has changed, grown, and developed. Management by objective consists of four steps: goal
