Book Review: Transmetropolitan, Vol. 4: The New Scum ...

This volume included a couple of big points, but I think that many pages were used as filler pages. This story would've worked just as well, if not better if it were 4 issues instead of 6. I've enjoyed this series, but at this point, the crazy sci fi world of Transmetropolitan has lost some of its appeal because so little of it is explained.
