Bing: Understanding Abnormal Behavior 9th Edition

In conclusion, though there is no one behavior that we can use to classify people as abnormal, most clinical practitioners agree that any behavior that strays from what is considered the norm or is unexpected within the confines of one's culture, that causes dysfunction in cognition, emotion, and/or behavior, and that causes distress and/or impairment in functioning, is abnormal behavior. Armed with this understanding, let's discuss what mental disorders are.
