series, the sum is definitely more than the total of its parts. As the most important Latin and Greek roots are studied, students increase their vocabularies far more than the 240 words actually presented, since these roots form the basis for many additional words.

Vocabulary from Classical Roots - Christianbook.com

Each lesson presents 8-10 words derived from classical roots, with the root forms defined in bold type at the beginning of the lesson. Like the original series, the roots are grouped thematically, and each resulting English word is shown in dictionary format with a pronunciation key, definition, and sentence showing correct word usage in context. Each lesson then provides a variety of exercises combining matching, fill in the blank, multiple choice, antonyms and synonyms, using vocabulary in ...
